

MAKE-UP SERVICE

Make up is a very personal thing. My approach to make-up is to work with you the client, and together come up with a look that not only suits you, but that you can feel completely confident with.

I trained as a make-up artist at the LA Academy of Make-up and specialise in Bridal, Photographic and Fashion Make-up. I am also trained in Eyelash application.

So whether you are getting married, having a photograph taken or just fancy looking great on a night out, please let me help you look the best you can.

I use a varied selection of make up products including Mac, Makeup Forever, Clinique and Bobbi Brown.
